

# hubris

[hyoo-bris]

exaggerated pride  
or self-confidence

synonyms: arrogance, conceit,  
haughtiness, hauteur, pride,  
self-importance, egotism,  
pomposity, superiority

See: Randi Weingarten, President  
American Federation of Teachers

Our schools are falling behind the rest of the world. The United States ranks 40th in math, 25th in science, and 24th in reading behind countries like Estonia and Poland. Yet Randi Weingarten has the audacity to attack Education Secretary-designate Betsy DeVos—a proven education reformer. Apparently, holding on to power is more important than education reform.
